

Acesso Remoto via VPN

Roteiro criado para que os colaboradores do grupo econômico da Unimed SC acessem suas estações de trabalho remotamente.

Observação: Aplica-se exclusivamente para colaboradores que trabalham nos prédios da Otto Boehm.

1. Link para download do cliente de VPN

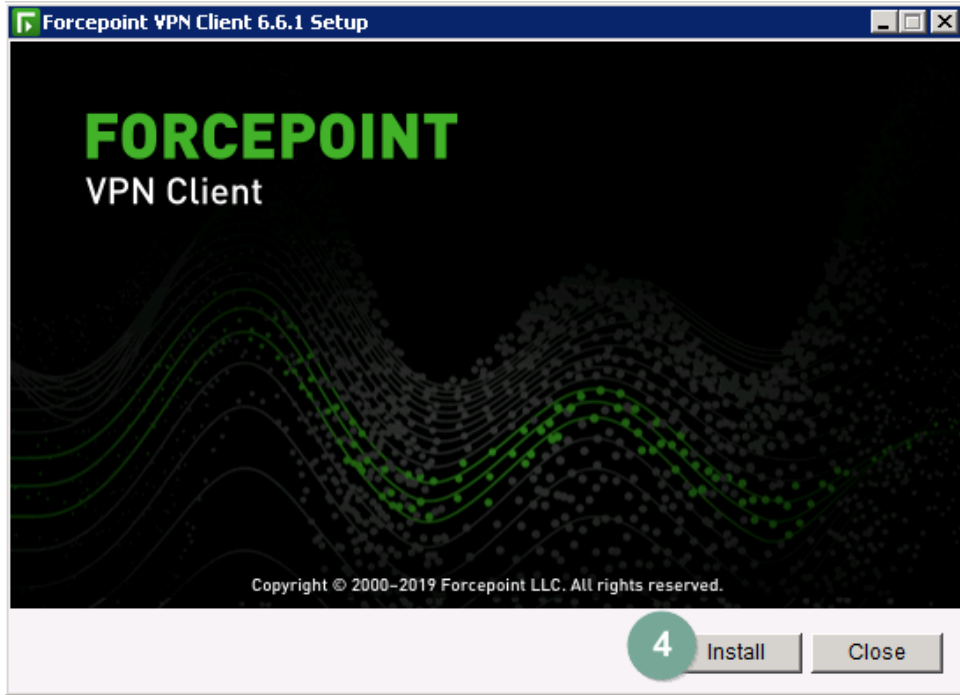

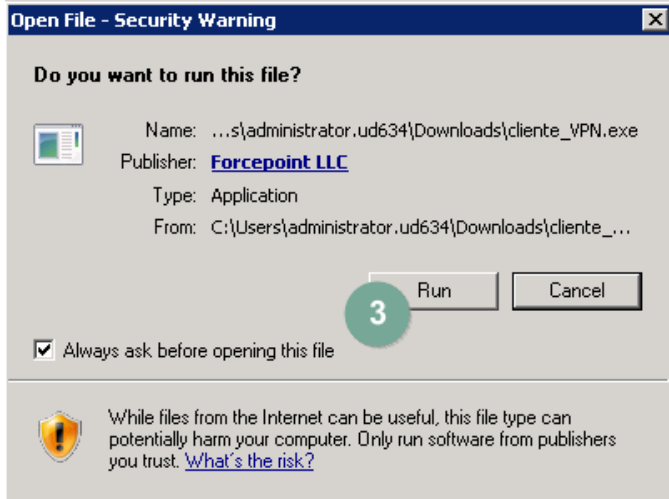

http://app.unimedsc.com.br/Downloads%20Diversos/cliente_VPN.exe

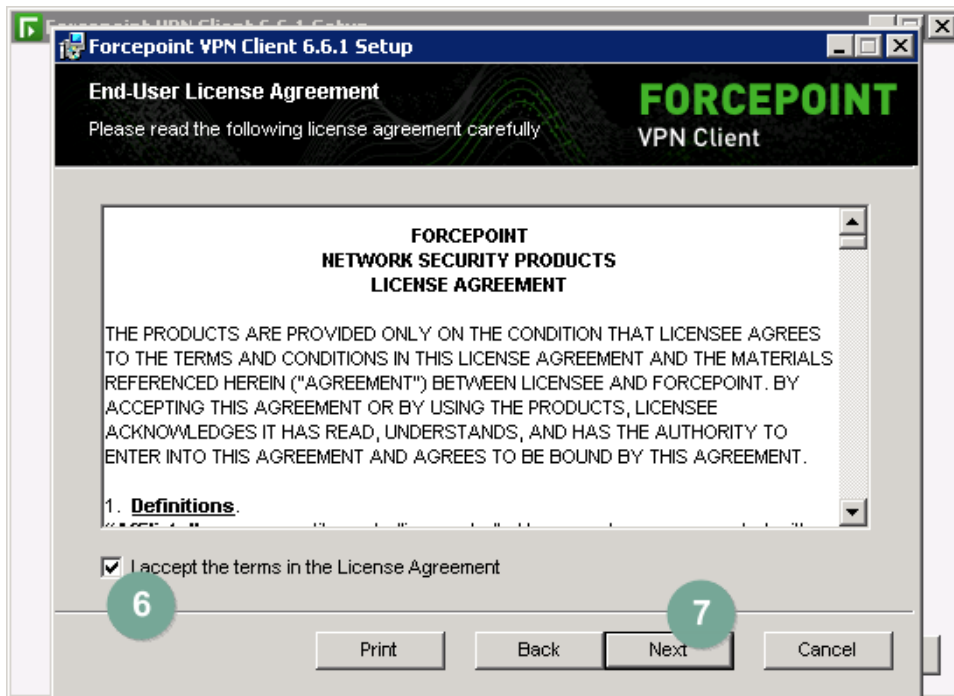

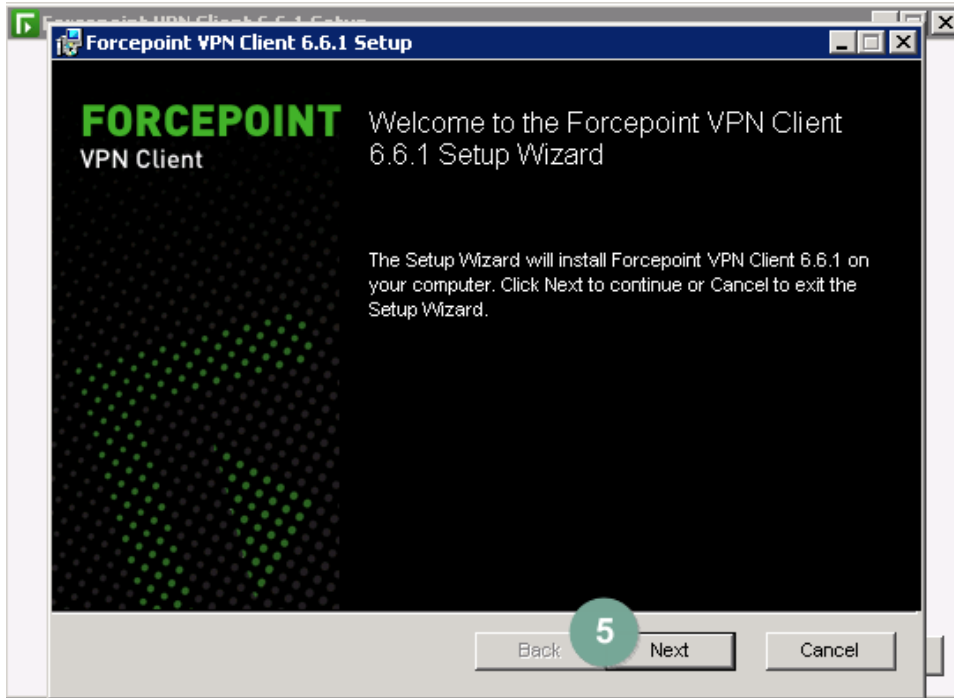

2. Ilustrações para instalação do cliente de VPN

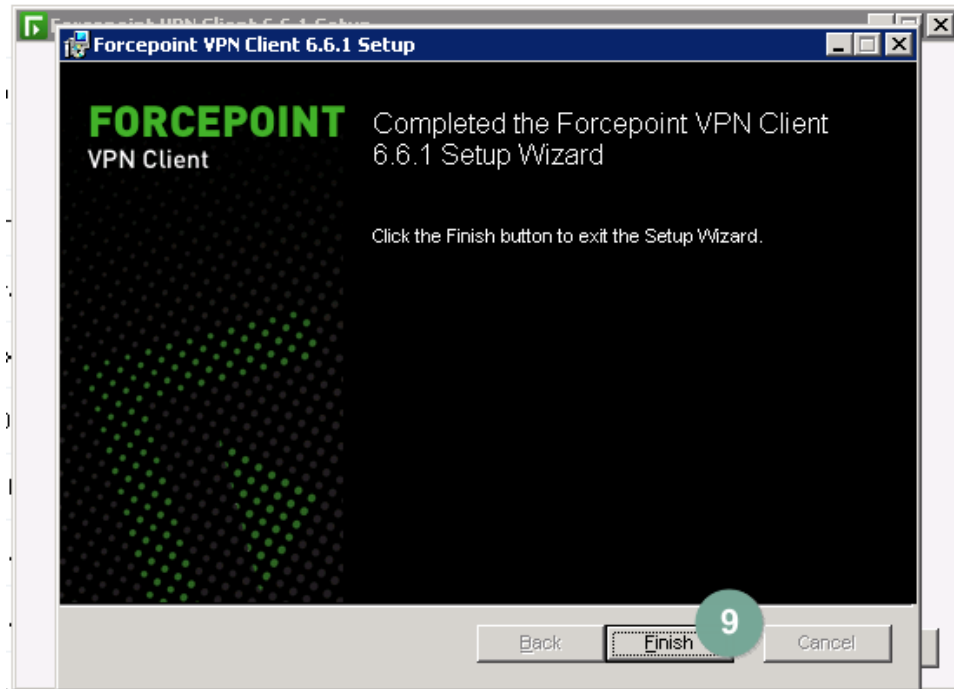

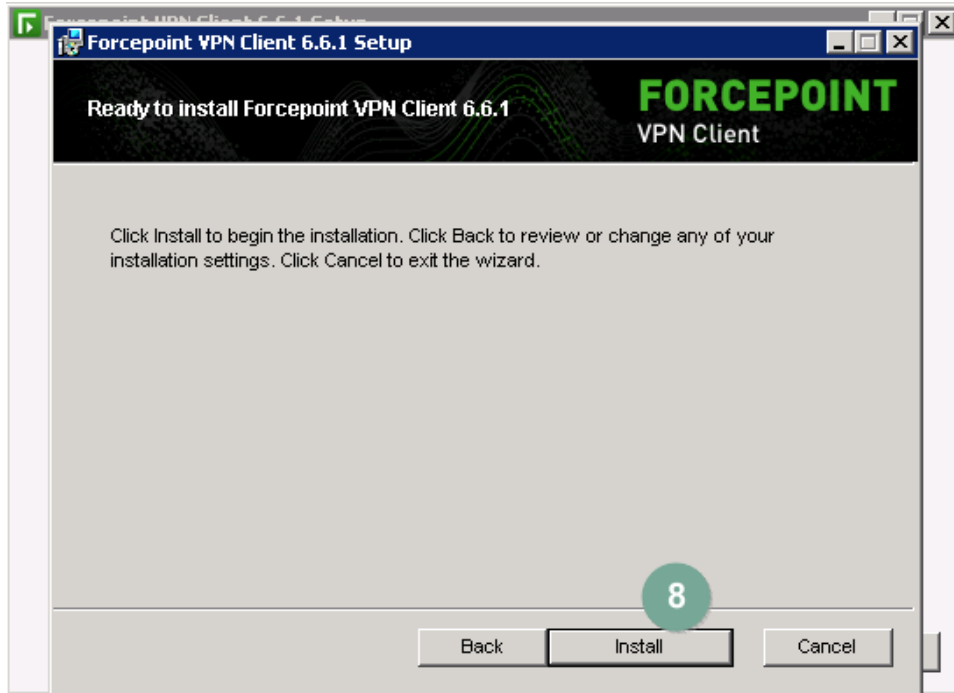

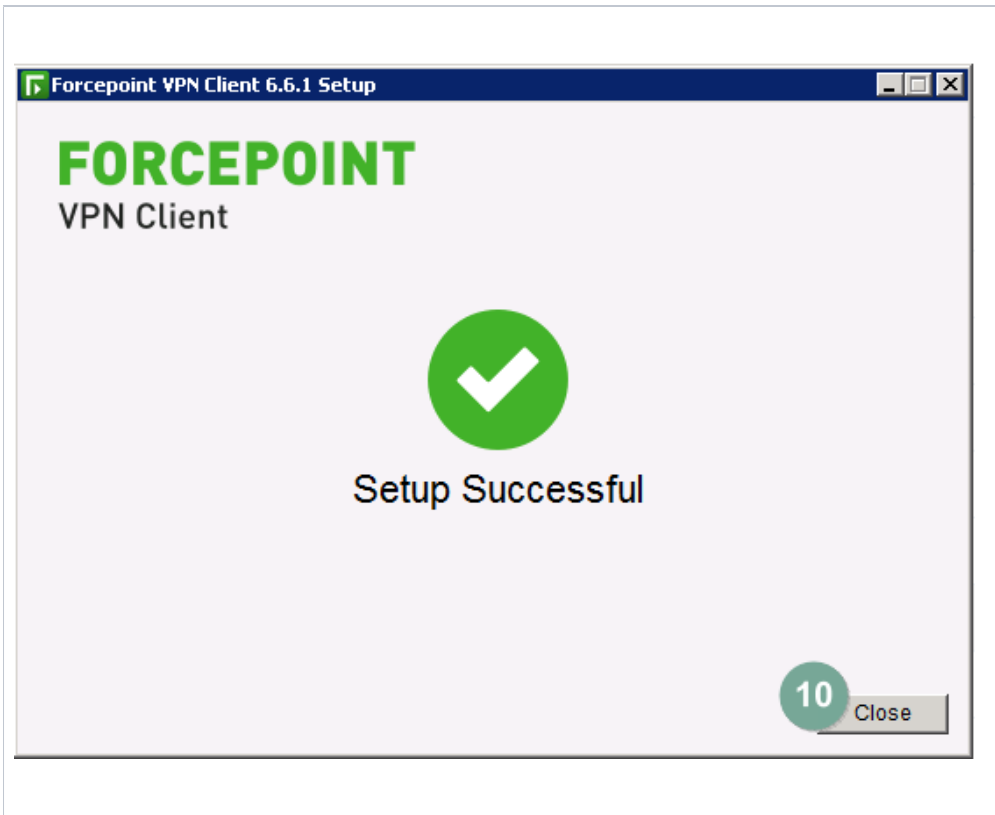

The screenshot shows a web browser window with the URL app.unimedsc.com.br/Downloads%20Diversos/. The page features the FESC TECNOLOGIA logo and the text "EMPRESA DO SISTEMA UNIMED SC". Below the logo, it says "Central de Download de Pacotes" and provides instructions for downloading files. A table lists various files and folders available for download.
